## Year 11 and 13

Dear Year 11 and Year 13 Students and Parents/Carers,

With exams cancelled by the government this summer, your thoughts will naturally shift towards your next steps. To support you in this transition to your next stage or education or into a career we have developed specific guidance for you. On our *student and parent remote learning site* there is a specific section dedicated to your transition:

<https://sites.google.com/windsor.windsoracademytrust.org.uk/student-and-parent-guidance/transition/year-11-transition-support?authuser=0>.

Staff from across Windsor Academy Trust have prepared transition tasks for a wide range of A Level and Vocational subjects for Year 11's and Post 18 subjects and courses for Year 13's. These tasks are designed to allow you to develop your understanding before your Post 16/Post 18 courses start so you are in a strong position to begin your next stage of study. There is also specific careers advice and guidance for year 11's and 13's.

In Google Classrooms your teachers have added content for each subject to enable you to continue to study for the examination, should you wish to undertake this in the autumn. There is a section on the student and parent remote learning site that details the latest advice we have received from government regarding awarding grades this summer:

<https://sites.google.com/windsor.windsoracademytrust.org.uk/student-and-parent-guidance/home#h.btpcofcp9k5t>

Kind regards

Ian Moreton  
Headteacher
