13 August 2020

Dear Student

This year is exceptional in terms of awarding exam grades. In addition to the letter sent to you over the last few days focused on Centre Assessed Grades, the following guidance may help you in considering your options. Ofqual have provided information setting out what to do if you are unhappy with your results on pages 8-10 of the student guide that can be accessed [here](#).

You may have heard in the very recent news that students may be awarded their mock exam result if higher than the calculated exam result you are awarded by the examination board/s. At present the process for making any appeal in relation to exam results is unclear and we expect guidance from Ofqual regarding appeals next week. Students, where this is appropriate, should ensure they visit their school website for updates and remain in touch with the exams manager on the following email:-

alockett@greatwyrley.windsoracademytrust.org.uk

Finally, our absolute priority, as always, is to support you especially as you take your next steps into university, apprenticeship or your future career. Senior Leaders will be available for you when you collect your exam results and beyond to help you every step of the way.

Yours sincerely

I Moreton  
Headteacher
